DAIQUIRIS

Rhythm Changes 11

overproof rum, Aperol, absinthe, lime,
grapefruit, simple, tiki bitters

Daiquiris are to cocktails as *rhythm* changes are to jazz. This bright variation finishes very complex with notes of anise, allspice and cinnamon.

Classic 10

Havana Añejo 3 Años, overproof rum, lime,
simple

The one that started it all. We spike ours with a splash of the strong stuff.

A False Spring 11

Hemingway Daiquiri meets a Last Word

Don't worry about it, daiquiri 11

El Dorado 12 year, reposado tequila, cinnamon
