BOOZE FORWARD

Alembic Pentameter 13

Hennessy VS, Dolin sweet vermouth, Amaro
Nonino, Averna, Peychaud's, sage

Alpine botanicals find a rhythm between dried fruits and
nutty notes of a cognac base in this
Manhattan-structured drink.

Fleur Sauvage 10

gin, Brennivin, Aperol, rose petal, simple

The sweet Aperol, delicate floral notes from
the rose petals, and the gin counterbalance
the botanical strength of the Brennivin
(aka "The Black Death").

Alaska 12

Ungava gin, yellow Chartreuse, orange bitters

All the people call her Alaska...

Oaxaca Old Fashioned 13

mezcal, reposado tequila, agave, mole bitters

This Death & Co. creation is ordered frequently enough by
both our staff and regulars that we had to
put it on the menu.
